We have come such a long way since we opened our doors in 1992 in Carrickfergus with 32 children and 2 teachers in the school and 14 children in the playgroup. In 2001, DENI gave approval to a nursery unit development at our school.

We are now at full capacity with 203 children in school, 26 in Nursery and 26 in Playgroup. Children of our first pupils who attended the school are now at Acorn and therefore carrying on the good work of integration in Carrickfergus.

We are looking forward to our new extension due to be built this year, which will replace our temporary Key Stage 2 buildings. The new building will provide much needed extra facilities to support the children’s learning experiences.
