

[All Children's CIPS]

Newcastle

Beginnings

In October 1985 a group of parents worked together towards the establishment of a planned Integrated Primary School for the Newcastle area. The group received initial support from the All Children Together Movement.

No government funding was received for two years and parents worked tirelessly to raise the necessary funds to pay teachers, provide classrooms and buy equipment etc.

Ethos

All Children's is a primary school which welcomes children from all backgrounds. We aim to contribute positively to reconciliation by celebrating diversity and striving for the highest standards in all aspects of school life. The school motto is: '**Harmony Through Understanding**'

The Journey

On 1st April 1991, All Children's became the first Controlled Integrated Primary School in the province enjoying full support and services provided by the South Eastern Education and Library Board. After 18 years in mobile accommodation on 6th May 2004 we moved into our new school. Our new building is magnificent, nestled behind the Walled Garden with panoramic views of the Mourne Mountains. The facilities are first class, children, staff and pupils are thrilled with such a happy, safe and stimulating environment.

The journey continues...
