

# Fort Hill CIPS

Lisburn

## CORE VALUES

An ancient Fort or Christian settlement is believed to have stood upon the Rath/Hill on which the High School now stands overlooking the Lagan Valley. It offered STRENGTH & SECURITY to its inhabitants.

Fort Hill Integrated Primary still wishes to encourage and nurture these life skills in all its pupils.

## *Always Learning Always Caring*

Fort Hill Integrated Primary welcomes children of all faiths and none from all ethnic backgrounds whilst still retaining its overall Christian ethos. We enjoy diversity whilst fostering mutual understanding and respect.

The promotion of good citizenship is fundamental to the education we provide. At Fort Hill IPS we place paramount importance on relationships at all levels. We recognise that staff have a privileged and enormous impact on the welfare and development of children. As a school we aim to employ staff who positively contribute to our child-centred, inclusive ethos and are also fully committed to the development of life skills in children.
