Children Together*

North Coast IC

Coleraine

North Coast Integrated College is a school community filled with enthusiastic students willing to learn and a dedicated professional staff committed to providing the students with an excellent, modern and vibrant education. NCIC has an outstanding student support system. Our pastoral team, form tutors, youth worker and counsellor provide every student with top quality support. North Coast Integrated College provides a safe, welcoming, and academic environment for our students. At NCIC we welcome diversity, offering extensive support to all our students with learning difficulties. The SEN team work tirelessly, giving individual support, to allow all to gain success in GCSE and A level exams. Working in partnership with our supportive parents we are the best possible choice for Post Primary students. The staff is committed to giving all students the very best educational opportunities – to help them on their way to happy and prosperous futures and working lives. We're proud of all our successes, but we're prouder still of the students and staff who make them happen!

At North Coast Integrated College we strive daily:

- to pursue the highest academic standards by offering a broad and innovative curriculum, allowing students to experience success with a balance between academic, creative, sporting and vocational development;
- to provide opportunities for children from different religious, political, cultural and social backgrounds to value their own traditions and to develop knowledge, respect, understanding and appreciation of their common culture
- to create a positive moral environment based on tolerance, openness and fairness
- to enable students to develop a high standard of moral reasoning
- to adopt a 'child-centred' approach to learning and teaching, treating children as individuals and developing their self esteem
- to ensure that all pupils are equally cherished, nurtured and respected
- to operate an effective pastoral policy based on clear procedures and open communication
- to foster positive relationships between staff and parents, and the wider community.

North Coast Integrated College enjoys a unique atmosphere which can only be appreciated when experienced first-hand. The College is approaching its 20th anniversary and, from humble beginnings, it has grown from strength to strength to become the largest school of its kind in a 25 mile radius! We look forward to the next chapter in the success story that is North Coast Integrated College.

- Leon says.....I came to N.C.I.C because of the different varieties of sport like Gaelic, Rugby and Hurling. This school is GREAT.

- Caoimhe says.....I really love N.C.I.C. I think it is brilliant that you don't have to stay in the same class all day. My favourite subjects are Home Economics and Art because you do fun activities such as cooking and textiles.

- Amy says.....I have settled well at North Coast Integrated College. My favourite subject is Technology because you get to make things and use computers.

- Tyler saysI really enjoy North Coast Integrated College because of all the exciting things we do throughout the year. In February we get to go on a ski trip and in June there is a trip to either France or Spain.

- Oliver says When I first came to the school for my first day I had mixed feelings. I was scared, worried, excited and now I am relaxed. This school has made me feel so welcome.

- Tia saysI have three special friends. One is a Protestant, one is a Catholic and one does not belong to a church.
