## Round Tower I.P.S Celebrates 10 Years of Integration!

On Thursday 5<sup>th</sup> of June 2014 Round Tower I.P.S celebrated ten years of Integration. Pupils sang a song about Integration and a P.7 pupil read a poem she had composed about Integration. Staff past and present attended the event. Each class had designed a banner with 10 written in a different language. We had lots of V.I.Ps present and they helped the pupils plant the 10 trees.

Staff past and present reminisced how in September 2003 Round Tower I.P.S opened with approximately 130 pupils and has now grown to 269 pupils. The school has grown to such an extent that it needed an extension in September 2013.

Round Tower I.P.S opened in September 2003 with the aim of pupils having tolerance and respect for others, and providing a high standard of education for children of all abilities in a happy and caring environment.

Children are at the heart of the school. Learning is our key purpose and we believe that children learn best when they are happy and feel valued. The development of high self-esteem among children is therefore important at Round Tower School.

Round Tower I.P.S was the first primary school to achieve the prestigious Excellence in Integrated Education Kitemark Award in 2010.
